- 25X1 1. There is practically no prospect of Ana Pauker returning to power. At present she is in a Bucharest hospital being treated for cancer.
- 25X1 2. Even if her leading opponent, Gheorghe Gheorghiu-Dej, should be removed any comeback is most unlikely, because of the general hatred for her among the population.
- 25X1 3. On the other hand, a public trial is also unlikely, partly because it would be taken as a new anti-Semitic step, partly because of Gheorghiu-Dej's own unstable position, and partly because of her genuine illness.
